The Blessing

'For you are great and do marvellous deeds; you alone are God.' Psalm 86:10

Everything the Lord does in our life is wonderful and marvellous. If you think of all the things that the Lord has done for you are too numerous to count. The Lord knows what you need, when you need it and why. He knows your desires inside out. He knows your thoughts, your plans, your goals and all that the Lord wants to do is to make them prosper. He alone is God and He alone does great and marvellous deeds for you.

Prayer

Heavenly father, I come before your presence. Lord I know and believe that you are God and that you do great and marvellous things in my life. Lord this day I place my plans, thoughts, desires and goals at your feet. Lord I know that you can do wonders in my life, Lord Jesus you go before me and make my way prosperous. With faith I commit everything into your loving hands. All this I ask in Jesus name. Amen.

Global Warming

The other day there was a knock at the door and friend of mine said "Get your camera and come and have look at this."

Intrigued, I got my camera and followed him and took the picture that is on the front cover. Does anyone know what it is? We've never seen it before and we wondered if it is a result of the very warm autumn we've been having. If you know the answer email me at theeditor@banwellparishnews.org.uk.

Calling all Carers

There are over 50,000 carers in Somerset and there must be many in this parish. These are the unsung heroes who look after elderly, infirm relatives, neighbours and friends - many 24 hours 7 days a week. They save the government literally billions of pounds by keeping those they look after out of hospital and homes and get little, if any, help from the Government. It is known that many feel isolated and suffer from stress.....now help is at hand!

St John Ambulance and Somerset County Council have joined forces to provide free Carer Support Programmes at venues across the County which bring carers together in a relaxed atmosphere to teach them skills that will help them better cope with their daily tasks. Amongst other subjects they will learn: Care and First Aid at home, Safe Handling and Prevention of Falls, Managing Continence, Stress Management and Relaxation and receive Benefits Advice.

The courses are run over four mornings across four or five weeks between 10.30am and 1.30pm and include a free lunch. There is also a free sitting service for those who find it hard to leave the ones they care for.

Hundreds of carers have already benefited this year and following the courses many have set up groups to share friendship and experiences together in the future.

To find out more and receive a schedule of courses please call Jude Glide, Carer Development Manager, St. John Ambulance on 01823 345920 or visit the St. John website at: www.somerset.sja.org.uk/carersupport

Health Walks Initiative

Winscombe Walks

Tim and Sue Burrows from Winscombe have recently trained on a North Somerset Council course for volunteer Health Walks Leaders.

The planned walks are for any adult who feels that they could enjoy a social healthy walk by joining in short, safe and free half-hour walks in the local area, once a month.

Our launch is on Tuesday 14th November at 11am, starting in the Woodborough Arms car park, when we will be joined by other leaders and healthcare representatives.

We do hope to see you there – just bring a drink, trainers and a waterproof jacket.

Thanks,
Sue Burrows

Archeological Society

Sixteen members from The Banwell Archeological Society braved a wet and windy Sunday afternoon to visit Snuff Mills in Frenchay, Bristol.

We heard how the mill had been lovingly restored by John Penny and his fellow enthusiasts, and saw the water wheel in motion. Then we walked along the side of the River Frome to see the remains of another mill further along.

A very enjoyable visit and several more are planned during the coming months. We hope other parishioners will come to some of our meetings on the second Friday of each month in Banwell Village Hall, 7.30 start. Everyone would be most welcome.

News From The Gardening Club

The talk for October was entitled 'Tales and Tails' and was given by Ken Spencer-Mills. He told us of his life and how he had started in gardening, first in Cambridgeshire and then at his present home at Hinton St George. Through slides we saw the many beautiful flowers which grow in his garden and the sculptures he has there. We were also shown some of his favourite gardens both in Britain and abroad.

The meeting for this month is on Thursday 23rd November in the Village Hall starting at 7.30pm. Jeff Hoyland will be sharing with us his memories of 'Cycling Through Cuba' We shall be having our usual raffle; donations for prizes are much appreciated. The competition for this month is 'Plate of small cakes.' We hope you will be able to come along and also enter in the competition. If you would like to become a member of the club the cost is £4 covering meetings through until May. Visitors (£1.50) are always welcome. Any queries to Eileen on 822433

A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. "But why," they asked, as they moved off. "Because", he said, "I can't stand chess-nuts boasting in an open foyer."

Christmas Appeal

Legendary comic John Cleese, star of comedies such as Fawlty Towers and Monty Python, has endorsed a CD created by a local father and son (Chris and Jonathan Manners) who both successfully fought cancer and have brought together more than 30 top musicians for the fund-raising project.

Mr Cleese, who grew up locally, said: "We've all been touched in some way by the destructive force of cancer, either as a patient, or a family member, or close friend who is a sufferer.

"We can only beat cancer by continuing to look for new treatments. This takes money and commitment."

"Supporting the work of such research is an investment in all our futures. That is why I am delighted to support this CD of Christmas carols, which is raising funds for Cancer Research UK. Jonathan and his friends have worked hard to produce this wonderful CD and I hope you enjoy it - knowing that you are helping this great cause".

Jonathan aged 27, and his 65 year old father recorded the CD in All Saints Church, Weston and the line up includes the former harpist to Prince Charles, Catrin Finch, and carols by the organist at St Paul's Cathedral, Malcolm Archer, assistant Director of music at Christ Church Cathedral, Dublin, and Howard Goodall, who composed the theme tunes to the BBC shows Vicar of Dibley, 2.4 Children and Blackadder.

The CD entitled "What Sweeter Music" will be released in November. Priced £10, it will be available in shops and via www.whatsweetermusic.com.

Carnival 2007

The Extraordinary Meeting held at Banwell Village Hall on Monday 3rd October to discuss Carnival 2007 attracted some 6 people not already involved with the Village Hall Committee. Whilst some useful discussions ensued, it was agreed by those present that, however keen their desire to see the Carnival continue, more commitment amongst the village populace at large was needed if there was to be any realistic prospect of this happening. It was decided by those present that they would endeavour to establish amongst their own peers and colleagues just what real commitment existed to 'keep the show on the road' and report back at a further Extraordinary Carnival Meeting to be held on Monday 4th December at 7.30 pm in the Village Hall. This meeting will finally determine whether there is enough support amongst villagers to stage Carnival 2007. Anyone and everyone who wishes to see Banwell Carnival continue in its present, or in a modified form, should attend and participate in the discussions.

Please put Monday 4th December in your diary now - if Banwell is to stage a Carnival in 2007, we need your help now!

Banwell WI

We were pleased to have Dr John to our September meeting to demonstrate his surgery's three nebulizers for which we had raised the money. He was highly delighted that our organisation cares for the community in Banwell.

The Speaker for the evening was Mrs Parkes on 'Finding my Brother' and the competition was for a card for a brother. The winners of the vegetarian quiche competition will go on to the Group meeting at Sandford. We wish them good luck.

The AGM at the Winter Gardens was well attended and three of our members were very busy selling raffle tickets. The meeting was excellent. The main speaker of the afternoon had travelled from Liverpool and was talking on 'Living with 7 Ladies'. Over 20 years ago he and his wife had sextuplets and his tales of coping with them were hilarious. He was well applauded by all the members present.

October is our Birthday meeting where we once again eat, enjoy ourselves and are entertained. Always a fun evening.

We have our own AGM in November and hope to have a few new members on the Committee. The Speaker will be Mr. C Cudlipp on 'Bees and Bee Keeping' and the competition will be a recipe containing honey.

Think Thin

A survey by the Priory Group, which specialises in treating people with mental health and behavioural disorders, has found that many of us turn to food for comfort. This most often happens after an argument with someone, or when we have on-going problems with our partners.

63 per cent of the adults questioned admitted that when they feel overweight, it affects their self-esteem, yet 52 per cent will still turn to chocolate (the favourite food drug) for comfort. Others seek solace in cakes and pastries, or crisps and nuts.

Dr Peter Rowan, consultant psychiatrist at the Priory Hospital, Roehampton, believes that many people use comfort food as a form of self-medication. "These people are desperate to fill the void created by loneliness, low self-esteem, depression and insecurity. You could say they are 'hungry for love'."

Jim was driving down the street in a sweat because he had an important meeting and couldn't find a parking place.

Looking up toward heaven, he said "Lord, take pity on me. If you find me a parking place I will go to Church every Sunday for the rest of my life and give up alcohol."

Miraculously, a parking place appeared.

Jim looked up again and said, "Never mind. I found one."

Gardening Tips For November

Cover vulnerable plants growing outdoors with cloches or horticultural fleece. If severe frost is fore-

cast, protect newly planted trees and shrubs over the winter with windbreaks. Clear out, and take under cover, containers that are not frost-hardy. Plant any remaining tulips and hyacinths without delay. Cut lawns for the last time this year, weather permitting, then clean mower and stow away. Prepare for autumn and winter gales by removing dead or decaying branches on established tree. Clear fallen leaves and other debris so slugs and snails have nowhere to over-winter.

One World Week

For nearly 30 years churches in the UK have used a week in October to remember that people of all faiths (or none), and in all countries, are connected and, indeed dependant on each other. This year's theme has been "Mind the Gap" — giving us an opportunity to explore the economic and cultural, and social and religious concerns which need to be bridged. A united village service with St. Andrew's was held in the Methodist chapel and the collection of £66.88 was donated to the Methodist Relief & Development Fund.

St Andrew's Ringers Coach Tour

34 ringers were joined by 18 non-ringers on Banwell Tower's Annual Ringing Coach

a nostalgic touch to the day's events. The tour outline had been conceived by our late Captain, Geoff Hebden, before his untimely death in April, and served as a reminder of his wonderful work as Tower Captain over 40 years.

Gossip is letting the chat out of the bag.

Trip on the 7th October. This number was well up on previous years, and participants were rewarded with warm weather which did justice to an ambitious tour. Ringing took place at Newton Abbot, Paignton, Dartmouth, Totnes and Buckfastleigh. The tour was notable in that the first and last towers were the only remaining functional part of what had once been fully fledged churches, the former standing right in the centre of town, and the latter isolated on the edge of Dartmoor.

Although notionally a coach tour, travel between Paignton and Dartmouth was made on the Steam Train down to Kingswear, with a short Ferry trip across the Dart to Dartmouth. Then, following a good luncheon break in Dartmouth and a ring in the town's truly spectacular and well appointed church, the run between Dartmouth and Totnes was accomplished through a 75 minute cruise up the Dart on the River Boat. With spectacular views of a world gone by, these 2 trips added

Caring At Christmas

Registered Charity No. 900161

We are again appealing on behalf of Caring at Christmas who, in conjunction with the Julian Trust, work throughout the year to help the homeless in Bristol. From 24th – 30th December 350 volunteers will keep the night shelter in Little Bishop Street open, offering a bed, a meal, a shower, comfort and companionship to people who have nowhere else to go. Last year over 1,972 meals were served, with a record number (157) at one evening sitting. Most nights the 50 beds were full, with some guests staying all week.

We will be grateful for gifts of food, toiletries, DVDs, books & games, cleaning materials, clothing, bedding & money.

Food: non-perishable items e.g. tinned

foods, tea, coffee, sugar & cereals; mince pies, Christmas pud., chocs & sweets are also welcome. Toiletries: shampoo, soap, toothpaste, toothbrushes, razors (travel-sized ones are ideal); also lip balm, hand & face cream to protect from cold weather. Clothing: second-hand winter clothes in good condition e.g. jumpers, coats, hats, scarves and shoes; (but underwear must be new, please). Bedding: blankets, single sheets, pillow cases & towels are a great help (no duvets). Money: always needed and can be used throughout the year. Please make cheques payable to “Caring at Christmas”.

If you can help, please bring any gifts BY MONDAY DECEMBER 18TH LATEST to: Dinah Harrison at the Coach House, East Street or Eric Small at 31 West Street.

If unable to deliver, please ring Dinah on 822344 or e.mail ericjsmall@hotmail.com to arrange for collection. Thank you!

Mothers' Union

Looking through my book of Common Worship and Daily Prayer I became intrigued by the number of Festival and Saints' Days in October. St Francis of Assisi, William Tyndale: Translator of the Bible into English, St Wilfrid of Ripon, King Edward the Confessor, St Teresa of Avila, St Luke, King Alfred the Great and so on. Two of these stood out, St Luke and St Teresa, as we looked forward to October 18th: St Luke's Day. We often have a spell of calm good weather around that date which is sometimes called St. Luke's Little Summer.

Beryl read Isaiah Chapter 35 verses 3-6. Hilary read a prayer for healing and Gloria a prayer for all hospital staff and volunteers. Sonia then read the Prayer of St. Teresa of Avila.

Christ has no body now on earth but yours,
No hands but yours, no feet but yours,
Yours are the eyes through which he is to look with compassion on the world.
Yours are the feet with which He is to go about doing good.

Yours the hands with which He is to bless us now. Amen

We have many of our members involved in caring, visiting and praying for the sick, at Weston hospital, the Cheshire Homes at Axbridge, locally in Banwell and with the Deanery Prayer Circle. We prayed for strength that those involved in such gracious work from our village may long be able to continue.

Our speaker was Barry Mather with his wife Jean. Both of whom are well known to many of us in Banwell. The subject was their journey to Singapore and Malaysia which was in the nature of a pilgrimage to seek the memorial or grave of Barry's brother who was killed in Singapore during the second world war and Jean's cousin who was killed whilst in the police in Malaya. Both of these objects they achieved after some adventures and persistence. The contrast between the cleanliness of Singapore with the strict laws on litter and complete ban on chewing gum and our own country was salutary. The slides of the bird park, modern buildings and beautiful parks were interesting. Barry gave some surprising information regarding the extreme shortage of water in Singapore and other interesting political updates as to the situation in both Singapore and Malaysia. The talk concluded with their time spent in Kuala Lumpur, up country to find the grave, and the contrast between the two cities. Over the years we have vicariously travelled the world with Barry and Jean and greatly enjoyed all the illustrated talks Forth Coming Events:

Playgroup Building

At last we hope to start the building work on the new log cabin style building. It has been a lot of hard work, but it will be fantastic for the staff and children to be back on the school site.

We would like to thank Luca Maione, Tim Langford, Richard Wheat, Mathew Wheat, Ricki Dowdle, Nick Raymond, James Radcliffe and Richard Adams for the money raised that has been donated to playgroup. It will buy us some great outdoors equipment that the children will really enjoy.

Thank you for your continued support.

Inner Peace

I am passing this on to you because it has definitely worked for me. By following the advice given in an article I have found inner peace. It said:-

“The way to achieve inner peace is to finish all the things you have started”.

So I looked around the house to see all the things I had started and hadn't finished. Before leaving the house this morning I finished off a bottle of red wine, a bottle of white wine, the Bailey's, Kahlua and Wild Turkey, the Prozac, some valium, some cheesecake and a box of chocolates.

You have no idea how blooming good I feel.

You may pass this on to those you feel are in need of inner peace.

The Ultimate Question

Even if there is only one possible unified theory, it is just a set of rules and equations. What is it that breathes fire into the equations and makes a universe for them to describe? The usual approach of science of constructing a mathematical model cannot answer the questions of why there should be a universe for the model to describe. Why does the universe go to all the bother of existing?

Stephen Hawking
A Brief History of Time

Not all chemicals are bad. Without
chemicals such as hydrogen and oxygen,
for example, there would be no way to
make water, a vital ingredient in beer.

Age Rules

This is the end of an era: from next year pensioners will outnumber children under the age of 16, according to Age Concern.

By 2031, those above the age for state pension will exceed children by almost four million.

The change has resulted from two trends: a fall in the birth rate, and an increase in longevity, both of which mean that the population as a whole is ageing.

At present there are about 12 million people over 60 in the UK. This is about one in five of the population. But by 2030 this could rise to 19 million, or about a third of the population.

Need a legal expert on your side?

Choosing the right solicitor can be difficult. You need an expert on your side; someone who will assist you and guide you through the often complicated legal process. You need a solicitor who is local to you and who understands local issues. You also need a solicitor who will respond to your needs, return your telephone calls and keep you informed every step of the way.

Many businesses promise the world when it comes to "customer service" yet deliver very little.

When you choose John Hodge solicitors to help you, you are guaranteed to receive help from a firm who are part of your community and who pride themselves on looking after you. We are never complacent and always strive to improve the service we have offered since 1777.

For expert assistance please call John Hodge Solicitors on:
